

Application No. 10/624,235

REMARKS/ARGUMENTS

Claims 1-10 are pending in the present application, and the Examiner rejected Claims 4 and 9 in an Office Action dated July 26, 2005, objected to Claims 5 and 10, and allowed Claims 1-3 and 6-8. The Applicant sincerely appreciates the Examiner's recognition of the aforementioned allowable claims. The Applicants submit this reply in response to the Office Action.

On January 25, 2006, the undersigned attorney spoke with Supervisory Patent Examiner Mr. David Bagnell regarding the present application and the Advisory Action dated January 17, 2006. The Advisory Action states that the Applicant's Amendment and Response filed on December 23, 2005 was not entered because more claims were added than final rejected claims canceled. Supervisory Patent Examiner Bagnell indicated during the telephone conversation of January 25, 2006 that he thought that Applicant's proposed action of submitting a reply wherein the rejected claims were canceled and no new claims were added would result in a Notice of Allowance. Accordingly, the Applicant has submitted this Supplemental Amendment and Response After Final to place the present application in a condition for allowance.

Accordingly, this Supplemental Amendment and Response After Final places the present application in a condition for allowance by cancelling rejected Claims 4 and 9, and by making the currently pending dependent claims directly or indirectly dependent on allowed Claim 1. More particularly, Claim 5 has been amended to be dependent on allowed Claim 1, and Claim 10 continues to depend from Claim 5. The Applicant has also amended the specification by

removing the word "perspective" from line 5 of page 4 of the description of the view of Figure 5 to more accurately describe the view shown in the subject figure.

Based upon the foregoing, Applicants believe that all pending claims are in condition for allowance and such disposition is respectfully requested. In the event that a telephone conversation would further prosecution and/or expedite allowance, the Examiner is invited to contact the undersigned.

Respectfully submitted,

SHERIDAN ROSS P.C.
